Breda, 20th of July

Vanille B.V. hereby states that during the growing, harvesting, storing and processing of the Vanilla pods no use is made of Ethylene Oxide. We solely work with the Vanilla pods from our own farms and can therefore assure this. Our products are produced under the strictest regulation of Organic farming.

Yours faithfully,

Quality Department.
Vanille B.V.

Vanilla B.V. has the following certifications:

Vanilla B.V. supports the Manga Maso Foundation, research and protection of the Blue-eyed Lemur in Madagascar!
