There is no know allergen in the product.

# Packaging:

Product is available in 40 lb. polyethylene-lined multi-wall Kraft paper bags, palletized and stretched and wrapped. All packaging materials used are suitable for food applications according to FDA and EU regulations.

# Palletization:

Multiwall Bag 40 lb.	Net Wt.	40
	Gross Wt.	41
	# per Pallet	50
	Layers	10
	# per Layer	5
	Max Wt. Net	2,000

### Storage Recommendations and Expiry:

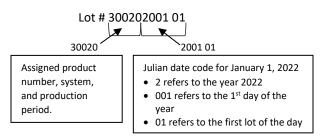

Product will last 12 months when unopened and stored in a cool dry place.

## Label Example:

# Lot Code Format:

Nutek's standard lot number format is an 11-digit code that groups products together for each batch, production system, and production period. The lot number is printed on an adhesive label affixed to each container or stamped directly onto the container.

For traceability purposes, Nutek can determine the plant location, production line, and the date of manufacturing of the product from the lot number.
