Palletization:

Multiwall Bag 40 lb.	Net Wt.	40
	Gross Wt.	41
	# per Pallet 50	
	Layers	10
	# per Layer 5	
	Max Wt. Net	2,000

Storage Recommendations and Expiry:

Product will last 24 months when unopened and stored in a cool dry place.

Label Example:

Lot Code Format:

Nutek's standard lot number format is an 11-digit code that groups products together for each batch, production system, and production period. The lot number is printed on an adhesive label affixed to each container or stamped directly onto the container.

For traceability purposes, Nutek can determine the plant location, production line, and the date of manufacturing of the product from the lot number.
