Re: Official Appointment of Exclusive Distribution Partner

To Whom It May Concern,

This letter serves as official confirmation that 1-2 Taste BV has been appointed by Anderson Advanced Ingredients (AAI) as our exclusive distribution and commercial representative for the OligoSMART® brand of resistant dextrin soluble fiber products within the European Union.

This appointment includes the exclusive representation, promotion, sales, and distribution of the following OligoSMART® product lines:

- OligoSMART® Corn Resistant Dextrin Soluble Fiber
- OligoSMART® Tapioca Resistant Dextrin Soluble Fiber

As our exclusive representative, 1-2 Taste BV is authorized to market and promote OligoSMART® products to customers freely within the designated territory. All customer inquiries, quotations, commercial discussions, and purchasing activities for OligoSMART® resistant dextrin products in this territory should be directed through 1-2 Taste BV.

Should you require any additional confirmation regarding this appointment, please contact Anderson Advanced Ingredients directly.

Sincerely,

Russell Anderson
President
